**CHAPTER ADJUDICATIONS**

The Adjudications Project of the Washington State Music Teachers Association is a self-supporting enterprise developed to encourage interest in music and to maintain standards of fine workmanship among student musicians.

The purpose of WSMTA Adjudications is to:

1. Provide an educational experience, which encourages goal setting, persistence, and creativity.
2. Provide a performance opportunity for students where an objective evaluation of the student's skill and musicianship is made by an impartial, competent adjudicator.
3. Provide the teacher an opportunity to consult with another professional musician.

Each student and ensemble will be given a written evaluation and oral comments from the adjudicators. WSMTA will present a certificate to each student participating.

Those students who are enrolled in the "Musiccrafters of America" program are provided a means of advancement through the ranks.

High School Credit students will receive a seal, to be attached to their Adjudications certificate, after performing two of the required memorized pieces.

Adjudications encourage and enlist parental interest and support and provide a wholesome outlet for community pride.

It is understood that no photocopied music will be allowed.

WSMTA accepts all persons without regard to race, sex, national origin, religious background, sexual orientation, or any other class not relevant to the association.
