

WSMTA Adjudication Fee Subsidy Application Form

The WSMTA board of directors has set aside \$500 to enable teachers to enter low-income, deserving students in WSMTA adjudications. Applications for these grants are made by the teacher on behalf of the student(s). Teachers are asked to limit their applications, to students with real financial need (max. of two students per teacher). WSMTA adjudication subsidy grants will be awarded on a first-come first-served basis. (This program is aimed at students of teachers who do not participate in Musiclink. Musiclink students should continue to apply in the usual way.)

Please mail this form ASAP (remember, it's first come, first served!) to:
