

WSMTA
Music Literacy Program
(formerly known as Musicianship exams)
Fee Subsidy Application Form

The WSMTA board of directors has set aside \$500 to establish a new set of special scholarships. These grants are to enable teachers to enter low-income, deserving students in WSMTA MLP/musicianship exams and the Music Artistry Program (formerly known as adjudications). Applications are made by the teacher on behalf of the student(s). Teachers are asked to limit their applications, to students with real financial need (max. of two students per teacher). WSMTA MLP subsidy grants will be awarded on a first-come first-served basis. (This program is aimed at students of teachers who do not participate in MusicLink. MusicLink students should continue to apply in the usual way.)
