## WSMTA Student Enrichment Fund

Since its inception WSMTA has been committed to promoting excellence in music education for students of all levels. Our Student Enrichment Fund assists competition winners with grants to help with travel expenses as they progress to the division and national levels. The fund also provides the prize money for the student winners of the annual Outstanding Artist Piano Competition. We have partnered with MusicLink, a national program to bring music study opportunities to low income students. Our student study grant program provides financial assistance to needy students who have demonstrated a long-term commitment to music study. WSMTA is grateful to our many donors whose generous help over the years has enabled us to continue these programs.
