7. Fill in student information and click **Add to Cart.** Click **"Click Here to Reload Form**" to clear the form for another student. You can leave items in the cart and checkout later.

If you need a double-time slot (e.g. 1 hr long), buy two time slots with slightly different student names (e.g. Jane Doe and Jane2 Doe.)

8. Go to **Cart** or back to the Registration Steps Window to **Checkout**.

Double-check each item in your cart. If need to change, delete the item from the cart and add the student again. If you are waiting for students to confirm, you can leave the items in the cart and check out once everyone is confirmed. **Try to checkout only once for each event** you register. It saves us on credit card transaction fees.
